Advent in Vienna is something very special. The Christmas Markets are covering Vienna into a smooth lightning place full of a romantic and peaceful atmosphere.

The Schönbrunn Palace Christmas Market is one of the most impressive one. The Hop on Hop Off Sightseeing Tour allows you to discover Vienna at your own pace. Get on and off at any of the 14 stops, as often as you wish. Shop, see sights, promenade through the many Christmas markets and enjoy the festive Advent atmosphere. Commentaries are in German, English, French, Italian, Spanish, Dutch, Japanese and Russian.
